Community Forum discussion |

RSV prophylaxis remains problematic for many of us. Come to this special chapter meeting to hear how our state is doing, listen to what resources are available to you, hear how the RSV prophylaxis guidelines are made and most importantly voice your concerns and suggestions on how to make prophylaxis more efficient and easier for you.

Representatives from the RSV Consensus Committee, Pharmacare, Longs Pharmacy, Caremark Pharmacy, PHNB, Tripler Army Medical Center, Kaiser Permanente Hawaii and MedQUEST will be there to share their perspectives and suggestions.

*Mahalo to MedImmune for their generous support of this special chapter meeting
