# Best Practices in Immunization in Special Populations

This monograph is available online, at no charge: [www.princetoncme.com](http://www.princetoncme.com)  
For information, call 609-371-1137 or email [info@princetoncme.com](mailto:info@princetoncme.com)

## Purpose Statement

The activity is designed to educate physicians, pharmacists, and nurses on the best practices for immunization management and program implementation to prevent influenza, pertussis, and other vaccine-preventable disease.

## Target Audience

This activity is designed for physicians, pharmacists, and nurses.

## Learning Objectives

After completing this activity, participants should be able to:

- Recognize the role of immunization in the prevention of influenza, pertussis, and other vaccine-preventable disease
- Outline current national recommendations and guidelines by the Centers for Disease Control and Prevention, Joint Commission, and Infectious Diseases Society of America for implementing immunization programs
- Discuss and define the role of immunization best practices in vaccinating at-risk populations
- Identify the location of resources and tools for the development of vaccination programs for at-risk groups
- Describe best practices for increasing immunization rates in real-world clinical settings

## Credit Eligibility

To be eligible for documentation of credit, participants must read all monograph content (print or online), log on to [www.princetoncme.com](http://www.princetoncme.com) to complete the 10-question post-test with a score of 70% or better, and complete the evaluation form. Participants seeking CME/CPE credit who successfully complete the post-test and evaluation form may immediately print their documentation of credit. Participants seeking CNE credit will receive documentation of credit by mail within 6 weeks.

There is no fee associated with this activity.

## CME Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Medical Education Collaborative, Inc (MEC) and Princeton CME. MEC is accredited by the ACCME to provide continuing medical education for physicians.

MEC designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)<sup>™</sup>.\* Physicians should only claim credit commensurate with the extent of their participation in the activity.

For questions regarding the ACCME accreditation of this activity, please contact MEC at 866-420-3252.

## CNE Accreditation

Medical Education Collaborative (MEC) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This continuing nursing education activity for 1.0 contact hour(s) is provided by MEC.\*

MEC is approved by the California Board of Registered Nursing, Provider Number 129909 for 1.0 contact hour(s).\*

## CPE Accreditation

Princeton CME is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (ACPE Provider #452) and complies with the Criteria for Quality and Interpretive Guidelines. This activity is approved for 1 contact hour (0.1 CEU) of continuing pharmacy education (UPN #452-999-08-003-H01-P).\*

Supported by an unrestricted educational grant from sanofi pasteur
