

Timely Topics in Pediatrics: ***How to Vaccinate When Parents Hesitate***

Wednesday, February 1, 2012
Ala Moana Hotel ▪ Hibiscus Ballroom

Jointly sponsored by:

American Academy
of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN™

Hawaii Chapter

Aloha,

Please join us for **Timely Topics in Pediatrics: How to Vaccinate When Parents Hesitate** being held Wednesday, February 1, 2012 at the Ala Moana Hotel. Our engaging speakers will share their expertise on the history of vaccines, vaccine safety, alternative vaccine schedules, what's happening in Hawai'i, how to advocate for appropriate payment, and innovations in parent-physician communications.

We welcome pediatricians, family medicine physicians, nurse practitioners, health professionals and community partners who care for children or are interested in these topics.

By the end of the symposium, the participant will be able to:

- Improve care to the vaccine hesitant parent;
- More effectively communicate with parents regarding immunizations; and
- Advocate for appropriate vaccine payment in an era of health care reform.

Hawai'i Pacific Health and AAP-Hawai'i are jointly sponsoring the scientific program. Hawai'i Pacific Health is accredited by the Hawai'i Medical Association to provide continuing medical education for physicians.

The mission of AAP-Hawai'i is to attain optimal physical, mental and social health and well being for infants, children, adolescents and young adults. If you would like more information on membership, please contact Kathryn Sthay at (808) 377-5738 or ksthay@aap.net.

To register for **Timely Topics in Pediatrics**, please complete and return the registration form on page 6. For more information, contact Hawai'i Pacific Health Conference Services at (808) 522-3469. Please join us as we learn together.

Sincerely,

R. Michael Hamilton, MD, MS, FAAP
Vice President
AAP-Hawai'i
